Corona information for students who take part in written examinations (written exams) on the premises of TU Dortmund University

As of 08.05.2020

You will take part in a written examination on the premises of TU Dortmund University.

In order to keep you and others healthy in times of Covid-19, the following rules apply:

- In these cases you may not enter the TU Dortmund University facilities:
 - If you yourself are/were ill with Covid-19 (until the end of the quarantine period by the responsible health authority)
 - As a contact person for a person suffering from Covid-19 until the end of the quarantine period ordered by the health authorities
 - It is mandatory to follow the laws for those entering Germany and NRW (CoronaEinreiseVO NRW).
- If you have symptoms of a respiratory infection (even mild ones) you should not take part in the exam.
- Candidates who belong to a risk group and are unable to participate in the examinations have, as usual, a right to compensation for disadvantages. Please contact the examination organization in advance.
- Candidates with reduced mobility should contact the examination organization sufficiently in advance by telephone or e-mail to ensure that the examination location can be reached without barriers.
- Please bring a facemask with you. You must wear it until you have taken your allocated seat and start working on the exam.
- Bring food and drinks for your own use during the examination.
- Accumulations of people on campus (in the buildings and outside) are prohibited.
- Admission to the building you will be visiting for the exam is through our external security service provider. Please identify yourself here using your Unicard, a certificate of study or the identification documents required in the exam announcement.
- Admission to the exam/examination room is usually via several entrances. Please go directly to the entrance indicated in your exam announcement. You have also been given a lecture room and seat number. Please bring this announcement letter with you.
- Appear on time and during waiting periods, please keep a distance of at least 1.5 m from other people and observe the existing waiting area markings.
- After entering the building, please wash your hands immediately and very extensively. Alternatively, hand disinfectant is usually available

- **Observe the rules of hygiene during your stay:**
 - Wash your hands thoroughly
 - Keep your hands away from the face
 - Coughing and sneezing into a handkerchief or into the crook of your arm
 - Maintain constant distance
 - No welcoming rituals

- The identity check by the testing institution is carried out in compliance with the hygiene rules regarding Covid-19. Keep the necessary documents at hand.
- Questions during the examination can be directed to the supervisor, please put on your facemask cover for this purpose.
- If you have to leave the examination room to go to the bathroom, please put on your facemask before getting up. When leaving your seat and the examination room, please also make sure that you strictly observe the required distance of more than 1.5 m to other persons at all times.
- The handing out / collection of the exams is handled by the organizers of the exam. Please follow their instructions.
- Please leave the building directly after the examination. The gathering of persons on the campus is also prohibited after the examination.

We wish you good luck for your exams!
